B&B

Tread Cover

We are considering offering a tread cover in Red Oak and Poplar (5/8" thick tread with nosing).

Let us know your thoughts!

This would not wrap around an existing tread. To use on an existing tread you would have to cut off the nosing.

Price Changes 6/1/2017

Price reduction:

- Fypon –better discount
- Schlage better discount in 2016
- Barn Door Hardware

No change:

- Panel, screen and combination doors – no change
- Columns & Stair Parts – no change

Price Increase:

B4255 (5360) White Balusters
