

Basement Pole / Lally Column Covers

Lally Column & Basement Pole Covers

are attractive options for covering metal column and basement poles. Our economical wood covers make it easy to beautify your metal columns or basement poles. Our covers are water and pest resistant, and are available in paint-grade wood or maple, oak or custom veneers. Installation is simple—height and width can be cut to fit, and covers can be field oiled or stained to match any decor.

- Water and Pest Resistant
- Easy Assembly
- No Sharp Edges
- Can Also Be Used with Fireplace Mantles
- Made in the U.S.A.
